

INTRODUCING: CLIENT PORTAL

It's a weekday at 9pm and you realize you've forgotten to call and schedule Fluffy's exam for the second day in a row. She's also running low on her prescription food and needs a refill.

You start to add the task to tomorrow's To-Do list but suddenly remember that our Client Portal is available 24/7.

The client portal gives you instant access to your pet's medical care:

Request an appointment

Manage & request Rx refills

View vaccine & medical history

Pay invoices

HOW TO LOG IN:

1. Visit
2. Provide your name, email, and phone number
3. Select your pet and go
